SUMMARY OF THE REASONS FOR DECISION:

The DVD *Without Limit 02* is classified as:

Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

Without Limit 02 also known as *Without Limits 2* contains a feature previously examined and classified as a video recording by the Office of Film and Literature Classification. The video recording was classified "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years", with the descriptive note "Contains explicit sex scenes". This decision was registered on 13 February 2002.

The DVD version of *Without Limit 02* contains additional material including a trailer for *Without Limit 02*, a short featurette of *Without Limit 02* (which includes interviews with the director and cast members), a selection of photographs taken from the feature and five trailers similar in content to the feature. The only difference between the two mediums is the multiangle feature that is available during one scene on the DVD.

There is nothing in the DVD version that requires an alteration to be made to the classification given to the video recording version of the publication. Therefore the previous classification of "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years" is appropriate, with the same descriptive note.
